CUSTOM PRODUCT PERSONALIZATION SERVICES

Do you need to protect your equipment inside the case?

Do you want to organize your tools efficiently inside the case?

Do you need to shield your professional gear from water?

Do you need to protect your equipment from sand and dust?

Do you need to secure your tools during air transportation?

Would you like a custom-branded case with your own label?

WITH EXPLORER CASES SERVICES YOU CAN SOLVE ALL THIS

We design custom interiors to protect and transport any kind of equipment

We offer a wide range of accessories to best organize tools within their containers

We manufacture fully waterproof cases

We design cases to provide maximum protection from dust, sand, and corrosive agents

We offer a range of professional cases ideal for air transport

We customize cases with labels and UV prints on the outer surfaces

Over 50 models of cases available

Containers resistant to extreme temperatures

Ultra-lightweight cases for easy and safe transport

Virtually indestructible containers, built to withstand extreme impact

With the Explorer Cases line, we provide **industrial solutions** to safely protect and transport work equipment.

Explorer offers a **wide range** of catalog products and **fully customized projects** tailored to customer needs.

A long-time global market leader, the company continuously invests in research, development, and innovation, achieving numerous patents for practical and efficient solutions.

Our production and assembly processes are highly automated, ensuring reliability, durability, and consistent quality..

GT Line Group manufactures the Explorer line of high-tech airtight cases at its headquarters in Bologna, Italy.

GT Line srl, ISO 9001 certified, is committed to the continuous improvement of the solutions offered to customers.

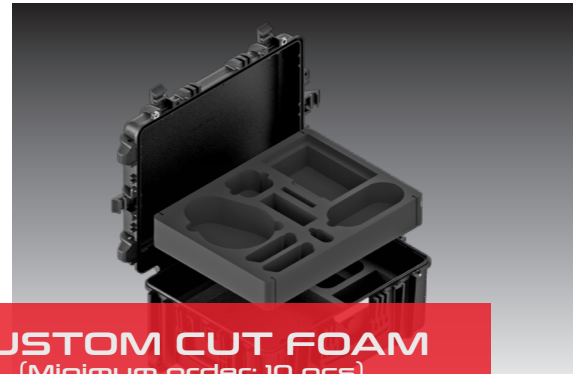

CUSTOMIZE
