WATERPROOF RACK MOUNT CASES SOFT RACK MOUNT SOLUTIONS

VIDEO PRODUCTION

Robust handles offer good grip in all conditions

**WATERPROOF
Rack Mount Cases**

Mod. 5140

- These WATERPROOF cases are IP67 and MIL STAN certified, therefore tested to be used in rough handling conditions.
- They represent the best price/performance solution in the industry.
- Offer practical fixing of standard 19" rack devices, in the specified length and up to a certain number of "U".
- All models allow for an easy removal of the lid to have full access to the panels of the equipment.

The provided M6 Cage Nuts and screws grants practical mounting of any device.

Padlock-able in many points with EXPLORER CASES' patented padlocks or any commercial ones.

Silent and reliable wheels for a practical transportation

Extractable handle

Mod. 7630

Mod. 7641

STUDIO RECORDING

AUDIO & VIDEO GEAR

Mod. 5140.B.6U

6U rack-size case

Units fit horizontally in the front side of the case.

EXTERNAL DIM. (L-W-D): 581x381x455 mm

22.87x15x17.91 in

RACK DEPTH: 265 mm (245 mm if backward positioning)

10.43 in (9.64 in if backward positioning)

LID DEPTH: 20 mm (40 mm if backward positioning)

0.78 in (1.57 in if backward positioning)

EMPTY WEIGHT: kg 9,2 - 20.28 lbs

- Practical lightweight and economical solutions to carry small rack devices up to 6U.
- This case can be used in horizontal mode up to 6U or in vertical mode up to 5U.
- The internal hardware can easily be reconfigured for either ones of the two versions.
- Handles on both side and wheels plus trolley handle in the rear allow for a practical carrying of this case.

HORIZONTAL USE (6U)

5U rack-size case

Units fit vertically from the top of the case.

RACK DEPTH: 325 mm (385 mm if forward positioning)

12.79 in (15.15 in if forward positioning)

LID DEPTH: 75 (15 mm if forward positioning)

2.95 in (0.59 in if forward positioning)

EMPTY WEIGHT: kg 9,2 - 20.28 lbs

VERTICAL USE (5U)

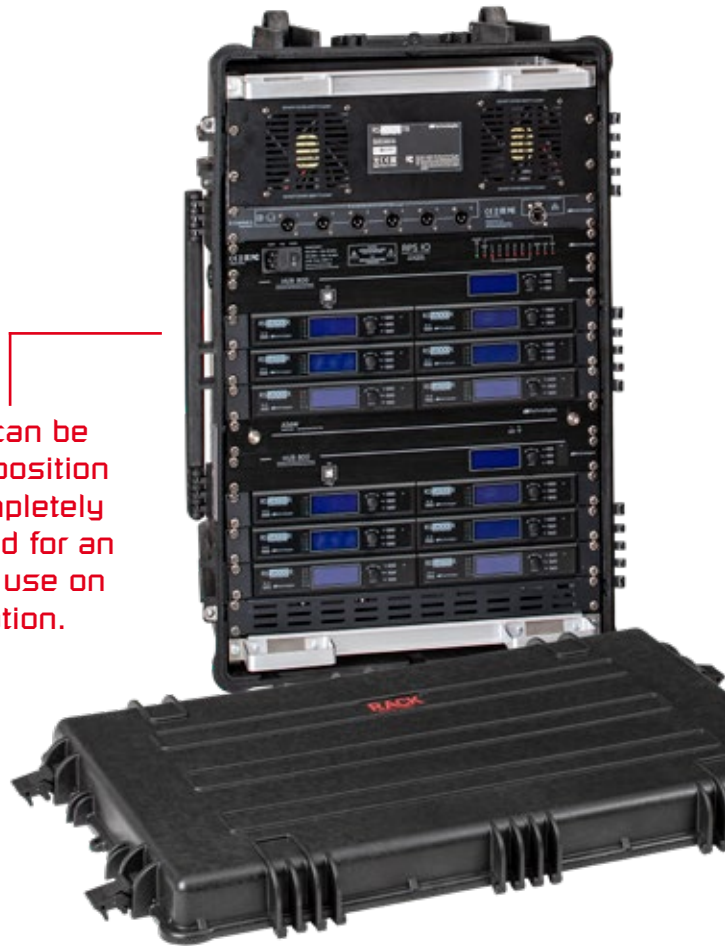

4 self-oiling free running wheels and trolley handle

LIVE STREAMING

Lids can be left in position or completely removed for an easier use on location.

Mod. 7630.B.15U

15U rack-size case

- 15U waterproof cases with wheels and trolley handle, in two different rack depths.
- These two models are provided with an internal alu racking frame that can be pulled out by mean of the practical handles, for cabling or stand-alone use.

EXTERNAL DIM. (L-W-D): 860x560x355 mm
33.85x22.04x13.97 in
RACK LENGTH: 220 mm - 8.66 in
LID DEPTH: 65 mm - 2.55 in
EMPTY WEIGHT: kg 16,6 - 36.59 lbs

Mod. 7641.B.15U

15U rack-size case

EXTERNAL DIM. (L-W-D): 860x560x460 mm
33.85x22.04x18.11 in
RACK LENGTH: 330 mm - 12.99 in
LID DEPTH: 65 mm - 2.55 in
EMPTY WEIGHT: kg 18,3 - 40.34 lbs
